

What is Program Connection?

The Program Connection Event of the Presbyterian Church Camp and Conference Association is the annual gathering of program-minded people from our camp and conference centers. All program directors, summer camp directors and anyone else interested in programming in the camp and conference context are invited to attend.

Our schedule will include times for sharing, discussion, hands-on activities, workshops as noted and lots of great fellowship and fun!

Come prepared with plenty of questions, answers and many great ideas! We will share, worship, network and reflect together in an informal and relaxed atmosphere to renew our spirits and refresh our souls as we begin the new year!

Participants at Program Connection are committed to excellence in camping and are eager to share their experiences in order to gain from one another's insights.

COST The fees includes meals (Thursday dinner through Tuesday breakfast - Sunday lunch and dinner will be on your own) and a five night stay.
