

Highlands has been a place for faith, fun, and fellowship for thousands of campers since 1946. We thank you for your continued prayers, support, and commitment to the ministry of Highlands!

Kids need summer camp more than ever now, so we want to invite you to an interactive online program for your campers to connect with Highlands' staff, each other, and God's Word.

Dot Strickland, JT Schexnayder, & Brian Leisher invite you to Highlands 2020 Virtual Camp!

Combining Faith Formation, Community Building, Service, and Fun we will offer six weeks of virtual camp with small group Bible studies; morning energizers, singing, evening activities and campfire with Brian; interactive live-streamed games, service projects, artsy crafts, and more!

Our theme will be **“The Jesus Way!”** Your kids will learn from the practices of Jesus and how we can be imitators of Christ based on **Ephesians 5:1-2b**. We will learn about how we can Serve Humbly, Feed Others, Love Your Neighbor, Forgive, and Pray!

Each week this summer, Highlands will host a virtual camp for different age groups, including a You & Me Session!

Week #	Camp	Camp Dates	Ages/Entering Grades
1	3rd-5th Grade Camp	June 7-12	3rd-5th
2	6th-8th Grade Camp	June 14-19	6th-8th

So how does this work?

Plans are still under development, but here are some of the things we know. . . Highlands will send a box to your camper(s) before their week of camp starts. Inside the box will be supplies for Bible study, activities, s'mores, crafts, ice-cream-in-a-bag, and other fun things. Throughout each day we will provide interactive programming through Zoom. You child can talk with Highland staff, sing along with Brian, participate in activities and be a part of small group event.

But wait, there's more! Not only does your camper enjoy a Sunday- Friday camp program featuring Highlands' staff, but after their week of camp they will be invited to weekly **"Camper Check-Ins" for follow-up and continued community building!** **And, if we can do it safely . . . we hope to bring campers and their families to Highlands for a day or an overnight as a part of your experience!**

Highlands will continue to use tiered pricing. Like our residential camp tiered pricing, **Tier 3 reflects the true cost** of this programming. Families are encouraged to choose the tier that works best for your family. Those participating in You & Me Camp need only pay one fee to cover both the adult and camper (Ex: \$50 will cover grandma and granddaughter's camp fee). Scholarships are also available.

Tier One	\$50.00*	*We are hoping to bring campers to Highlands for a day or overnight. There may be an additional cost if this is possible.
Tier Two	\$100.00*	
Tier Three	\$165.00*	

What if I have already registered my camper for Residential Summer Camp?

Highlands will refund deposits made for campers who are already registered for 2020.

- You may request for the whole deposit to be refunded to you (via a mailed check)
- You may request that a portion of it be used to pay for your camper, noting the Tier of your choice, and the rest will be refunded to you (via a mailed check).
