

## Special Announcement New Summer Camp Schedule!

Hello from Pine Springs Camp!

We hope that this letter finds you and your family well and weathering the COVID- 19 pandemic better than you imagined. It is a challenge to know how to navigate these difficult times. We are praying God's strength and mercy over this whole situation, especially on those who are sick, unemployed and the front line folks who are caring for people around the clock.

Like you, our hopes and prayers are that this epidemic comes to an end soon. While we are faced with uncertainty over the next weeks we wanted to touch base with the PSC Community to let you know how we are adapting our program schedule in the midst of this crisis. The following changes have been made to the camp schedule:

### **Cancelled Events**

**All scheduled events for May have been cancelled, including retreats, Work Day, the Annual Scholarship Golf Outing and the Staff Homecoming Event.**

### **Summer Camp**

**Because of the uncertainty of when we will be permitted to safely gather again we have decided to run a shortened version of our summer camp schedule. We will begin with Week 5-Long Week, on July 10. We are planning to run Camp Sessions Week 5-9 with a Family Camp Weekend on August 14-16. While we are cancelling Weeks 1-4, there are ample opportunities for any age camper to attend a later session. If you have already registered for camp during weeks 1-4 you should have received a separate letter with specific instructions and information.**

Many of you have understandably held off from registering campers. We would like to offer you two incentives to register for camp now:

1. We are offering the Early Bird Discount of \$20 off to everyone that registers, no matter when you register this spring.
2. You will be given a full refund, less \$25, if we are forced to cancel the summer camp program entirely or if you change your mind about sending your child because of the COVID-19 fallout. (The \$25 fee goes toward online fees and processing, packet distribution and other office costs.) More details about how to receive a refund for this summer will be available May 1, 2020.

Be assured that the Board of Directors and staff of Pine Springs Camp value the safety and health of our camp family above all else. To that end, we are seeking the guidance of state health agencies and camp health professionals to develop new protocols for safety and sanitation at camp. We will be implementing best practices in health management, camp operations and camper safety.

While we understand the urge to wait to see what happens, we need to make timely decisions based on how many campers we anticipate having this summer. Registering now will enable us to know how many staff to hire and to anticipate summer programming needs. Plus we rejoice when we see camper registrations in our inbox and mailbox! Our sincere hope is that we will be able to see you this summer amidst cheers of "Welcome to Camp!"

We hope to hear from you soon! We praise God for our Pine Springs Camp family!
