FOCUS EVENT

Could God be calling you to the ministry of camps and retreat centers?

The Focus Event will give you the opportunity to learn more about this ministry, to meet folks in the field, and to spend time exploring God's call for your life. This program is designed for people of all ages - whether you are a person planning a dream job in outdoor ministry as a second career, a summer camp staffer who is interested in the field, a church professional who is considering a change in ministry, or anyone in between. This program is endorsed by the Presbyterian Church Camp and Conference Association, the Outdoor Ministries Association of the United Church of Christ, and United Methodist Camp and Retreat Ministries, but is open to participants from all denominations.

The weekend includes workshops, worship, a question-and-answer session, information regarding current job openings, a tour of Stony Point Center, and a panel discussion with current year-round staff. For just \$50.00, participants will receive two nights in double-occupancy lodging (single-occupancy lodging for an additional \$50.00), four meals, and airport shuttles on Friday evening and Sunday morning. For more information on the program, please contact Joel Winchip at joel@pccca.net or 803.322.0232.
