

# CEDARKIRK CAMP & CONFERENCE CENTER

## Position Announcement: **PROGRAM DIRECTOR**

Cedarkirk is seeking an enthusiastic and mature camp professional to develop and administer all aspects of our programmatic ministry.

### **Context:**

Situated on the Alafia River, Cedarkirk offers a beautiful, "Old Florida" setting less than an hour southwest of Tampa, Florida. Our site and facilities provide year-round opportunities for recreation and renewal for more than 19,000 guests each year.

### **Position:**

Working with the Assistant Director, the Program Director will advance the ministry of Cedarkirk by: developing quality, engaging programs and bringing retreats to fruition; providing outstanding hospitality to guest groups; running summer camp programs and hiring and training summer staff; communicating our mission, and the unique nature of outdoor ministry, to supporting congregations and other groups; and participating fully as a member of the staff leadership team.

### **Ideal Candidate:**

Cedarkirk is searching for an enthusiastic camp professional to help guests connect to God and build community through the practices and rhythms of outdoor ministry. We are looking for someone with a depth of experience in establishing programs that empower participants and guests to grow in faith and inspire them to carry out the transforming work of loving and serving others.

Our next Program Director has a passion for loving people and nurturing them in their spiritual development. This person exemplifies a life grounded in the practice of Christian faith and the advancement of social justice. As a visible face of Cedarkirk and its ministry, our Program Director will represent Cedarkirk with professionalism, charm, humor, organization, integrity, and patience.

We seek a person who can share the story of this ministry in creative and engaging ways, who will articulate our culture and vision to guests and the wider community through word and deed. The ideal candidate will help us build on our strengths, make the most of our opportunities for growth, and help us transition into our next phase of ministry with vitality, flexibility, and creativity.
