# Program Connection

A Gathering of Program-Minded Camp Professionals from Faith-Based Camps and Conference Centers across North America

**Stronghold**  
Camp & Retreat Center

January 23—28, 2022

## What is Program Connection?

Program Connection is a meeting of faith-based programmatic minds; a space where those who love camp and conference program can discuss theory and practice.

We come together searching for new ideas, seeking answers to questions, and sharing our favorite resources. It is built upon the idea that we build each other up and improve our ministries through the sharing of ideas, insight experience, and networking. We spend time in discussion, spiritual retreat, and workshops with experts in the field and leave refreshed, with lots of new ideas and resources.

## Discussion Sessions & Resources

A majority of our time is spent in discussion, picking each other's brains about relevant topics. We ask participants to share topics which most interest them, and use our common experience to work toward best practices in those areas. Topics often include staff training, spiritual development (for campers and staff), new program ideas, ecumenical partnerships, and our role in a constantly shifting world.

One of the other great benefits is to share resources. Please plan to bring brochures, flyers, manuals, and other resources to share (paper or digital).

## Housing, Meals, and Transportation

Participants will be housed in Heritage Lodge and Sear Center in single or double occupancy rooms with private bathrooms. Linens will be provided.

Meals will be provided from dinner on Sunday through breakfast on Friday, with the exception of our outing afternoon. Lunch and dinner are on your own as we explore the city of Chicago.

Shuttle service will be provided to/from O'Hare International Airport and Midway International Airport at a cost of \$25 for the round trip. Please plan to arrive before 4:00pm on January 23. Please schedule departing flights after 10:30am on January 28.
