## PROGRAM CONNECTION

CAMP KINTAIL  
JANUARY 15-20, 2023

A GATHERING OF PROGRAM-MINDED  
CAMP PROFESSIONALS FROM FAIHT-BASED  
CAMPS & CONFERENCE CENTRES ACROSS  
NORTH AMERICA

## ABOUT PROGRAM CONNECTION

Program Connection is a meeting of faith-based programmatic minds; a space where those who love camp and conference programs can discuss theory and practice. We come together searching for new ideas, seeking answers to questions, and sharing our favorite resources. It is built upon the idea that we build each other up and improve our ministries through the sharing of ideas, insight experience, and networking. We spend time in discussion, spiritual retreat, and workshops with experts in the field and leave refreshed, with lots of new ideas and resources.

Participants have opportunities to share topics which most interest them, and use our common experience to work toward best practices in those areas. Topics often include staff training, spiritual development (for campers and staff), new program ideas, ecumenical partnerships, and our role in a constantly shifting world. One of the other great benefits is to share resources.

Please plan to bring brochures, flyers, manuals, and other resources to share (paper or digital).

## WHO IS THIS CONFERENCE FOR?

Any summer camp professional can gain from the relationships and experiences offered at Program Connection! Build relationships with other people in your field and learn from each other in a friendly, curious environment while seeing how other camps operate. Go home refreshed and full of new ideas.

## FREE DAY

We look forward to hosting Program Connection and participants will have a wonderful experience at Kintail and in Ontario. Options for free day include a visit to a local indoor climbing gym, local microbreweries, local shopping, and some winter activities. We will collaborate to ensure everyone enjoys their time in Canada!
